

Have you been harassed in the street, at  
a bus stop, in a shopping mall?

Want to do something  
about it....

# Report it!

You can report incidents of discrimination, harassment  
and/or inciting hatred to the  
Office of the Anti-Discrimination Commissioner  
by collecting an Incident Report Form from our office  
or by filling it out online at

[www.antidiscrimination.tas.gov.au/forms/  
Incident\\_form](http://www.antidiscrimination.tas.gov.au/forms/Incident_form)

## Why report?

- You are providing important information that will assist us with targeted community education/training programs.
- You are taking action and standing up for yourself and hopefully preventing it from happening to someone else.
- You can lodge a formal complaint.
- You may be referred to an appropriate agency that can help you.
